

# The **Power** of One

The administration of health savings accounts (HSAs), flexible spending accounts (FSAs), health reimbursement arrangements (HRAs), commuter benefits, COBRA and direct bill is even easier when you choose WEX as your one partner for all of these plans.

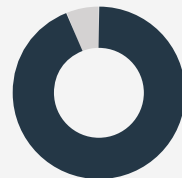

## > Benefits for you

-  Money saved through bundled pricing.
-  Time saved by working in one technology platform, LEAP.
-  One partner with flexible support options for all of your service needs.
-  Simplified exchange of data by using one file for all benefits.
-  Easier implementation, renewal and open enrollment by working with one trusted partner.
-  Less risk sending your employees' personal information to one partner.
-  Experienced oversight and guidance to ensure compliance when your benefits are viewed holistically.
-  Reporting and analytics for all your plans in one place.

**90%** of our clients choose us because they're looking for a better service experience for themselves and their employees.

**94%** of our clients continue to partner with us during renewal because of the experience and support we provide them and their employees.

## > Benefits for employees

**Consistent experience** whether on mobile or online for all their benefits.

**One source** for all questions, including options such as phone, email, chat, and a 24/7 knowledgebase.

**Avoid confusion** and easily spend funds with one, smart debit card for all benefits. Or pay on mobile through Apple Pay or Samsung Pay.
